A Most Desirable "Savings Plan"

When you subscribe for shares in a co-operative bank you are merely planning to save a definite amount of money every month.

Under this plan, you get maximum earnings on your savings.

You do your saving in a notably safe institution.

And, if you cannot go through with your program, you can always cash your investment and get all your money back with whatever earnings are due at the time.

Finished Family Service

IVORY IS THE ONLY SOAP WE USE

When you open your laundry bundle from Rutter's you will find first, that your clothes are all nicely washed and ironed. Second, that particular attention has been given to the more important pieces,—a little starch in the outer wear articles, careful folding of table cloths and napkins, well ironed shirts,—are examples. So on through the bundle—you will find it delightfully clean and sweet-smelling.

The Rutter man in your district has established a reputation for courtesy and interested service. Send for him, without obligation to explain about **Rutter's Laundry Work.**

Fire Alarm Signals

2 Blows calls out department for
 slight fire in Precincts 2 and 4
 2 Blows after an alarm signifies fire
 under control
 5 Blows calls department for slight
 fire in Precincts 1, 2, 3
 3 Blows with 5 seconds intervals at
 7.30 A M means no morning session
 of any school
 3 Blows at 12.15 P M with 5 seconds
 intervals between blows means no af-
 ternoon session of any school
 Note—Where possible, a box alarm
 is preferable, as it notifies firemen of
 the location of fire. Persons pulling

in an alarm should always wait at box until the arrival of firemen so as to direct them to its location

In giving an alarm by telephone be sure to give exact location of fire, street and number, whether serious or slight, and do not pull in a box alarm after engine house has been called, as this is sure to cause confusion

Drivers must in all cases after an alarm by telephone press box nearest to fire when there is the least possible danger

Officers will see that a roll call is held after each alarm and report same within 4 days to the chief of the fire department
